Wird „Radio Sapporo“ eines der besten Bücher ist, die dieses Jahr erschienen sind. Das Thema ist schön, und trotzdem schafft es die Autorin, dieses gesamte Königreich so leichtfüßig und so tiefgehend kennenzulernen zu erzählen, dass es unangenehm ist, die Buch zur Seite zu legen. Es handelt sich hier übrigens wieder um einen Roman, auch um eine richtige Autobiografie oder Memoiren. Sie hat ein Model-Geschäft geübt, und vielleicht ist das Grund, warum „Radio Sapporo“ immer noch keinen Literaturpreis gewonnen hat. Es geht in keine klassische deutsche Schichtklasse. Möglicherweise gewinnen solche Preise aber auch einfach nur die immer Gleichen, die gut zum Marketing der jeweiligen Jury passen. Das kann Ihnen und mir egal sein. Hauptsache, Bücher wie „Radio Sapporo“ werden geschrieben und gelesen. Denn wir machen diese gesamte Welt ein bisschen verständlicher und dadurch vielleicht besser.

I had very lucky to have had Ellie as a friend for more than 25 years. We lost contact for a bit, but the universe brought us back together. (Ellie) my manager of 16 years had just passed, my mental health was at an all time low. I was falling apart and Ellie helped me get to where I am today with emotional, mental and spiritual guidance. My mind always went a million miles an hour. Ellie's advice to nurture my mental health in order to help my physical health has changed my life. I have been to multiple psychiatrists, and even if the feeling overwhelmed, she sends me a piece of advice. She, "Go outside and your feet on the grass and ground yourself." She really is an angel to everyone who crosses her path. In fact, I call her my pocket angel.
