AUDIOCOMINGSOON is a creative partnership between Ashton Gohil and Emmanuel Lawal.

The DJ and Presenter duo from London and their distinctive personalities and genre-defying sound has taken them into diverse spaces, creating endless unique opportunities along the way. To name a few, being booked to DJ by Samuel L. Jackson, performing at the opening of Frieze Art Fair, closing The Open Championship and performing at The Brit Awards. The pair are breaking down the walls between conventional DJ bookings within the creative industry.

Communicating with music enthusiasts and building a like-minded community has always been at the core of AUDIOCOMINGSOON's ethos.

In 2021 the duo launched The ACS Show, a monthly online radio show with music, chat and laughter being the glue that binds it all together. The hit show featured leading pioneers within the music, film, fashion and art scene as well as partnering with major lifestyle brands.

Via social media the gents have built a growing audience engaged by their constantly interesting and intriguing stream of rich aesthetics that serve to only heighten the avidity of their fan base. From what started off scoring soundtracks and starring in fashion campaigns has now elevated into a recognisable brand which the creative industry value.
